### Message from Mrs. Runnels

Dear Parents, Staff, Students, and Friends,

I had the pleasure of having 7<sup>th</sup> grade student, **Mary Guillory**, take over as “Principal for the day” on Thursday, April 26th. Mary was the recipient of this honor from the Mardi Gras Gala, as one of our auction items that her family bid on and won. As the day started, she received her SACBS ID card, her principal business cards, and her tentative schedule for the day. Mary looked over the schedule and was ready to begin her duties.

She hit the ground running beginning with teacher morning prayer, a parent conference, and helping with the NJHS induction. She continued with recess duty, reading to the Pre-K 3 and Pre-K 4 students, all while juggling the many unexpected items that happened during the course of a day. Principal Guillory gave all students the opportunity to wear colorful socks for the day. She also added 5 minutes to everyone’s recess. Principal Guillory helped to make decisions on the middle school final exam schedule, which will be going out to the middle school students in the next few weeks. She ended the day by giving all students a lollipop treat and helping with car line. I think that being an educator may be in her future, since she did such a wonderful job. Thank you Mary, for being a great principal!

### National Junior Honor Society Induction

Congratulations to (l-r) Lizzie Drago and Kayla Pouncy on being inducted into the St. Anthony National Junior Honor Society. The NJHS is an organization that recognizes and encourages academic achievement, as well as fostering the development of character, service, leadership and citizenship qualities. We are proud of our current and new members. Keep up the great work!

# Bulldogs in Action!!!

This week, Mrs. Lawler's Pre-K 3 class enjoyed learning about insects. They were able to look at items and determine which ones were insects or not insects. It was a great lesson and our little ones had a blast!

This week in science class, Mr. McLeod's 4<sup>th</sup> grade created their own weather vanes. They also learned about chicken farms. The students are keeping a journal taking notes on eggs that are expected to hatch in 21 days.

## SCHOOL UNIFORMS

### UNIFORM REMINDERS

As the school year is coming to an end, parents we need your help with a few things:

- Students are to wear white socks daily with their uniforms. We have started seeing blue and black socks, but they are not part of our uniform. Please help us with this effort.
- Some of the pants are getting a little too tight and some skirts are getting a little too short. You may need to take out the hem on the skirts if they are more than 2 inches above the knee. Feel free to visit our used uniform closet to find gently used uniforms to finish out the school year comfortably!

Ms. Flores found a fun way to help her students review their social studies lesson. They used the iPads to play the review game Kahoot. All of the students were happily engaged in participating. What a wonderful way to use technology!

Be kind and compassionate to each other, forgiving each other, just as in Christ, God forgave you. ~Ephesians 4:32

## Highlights for the week of 04/28/18

### Saturday 04/28/18

\*\***Golf Tournament** Brentwood Golf Club.

### Monday 04/30/18

\*\*SACBS celebrates Earth Day - **Students may wear jeans and a green shirt for \$1**, which will be donated to Shangri La. Students will enjoy Earth Day activities sponsored by Student Council & NJHS.
